

GBCC COVID safety 2020-21: Junior coach & manager checklist

GBCC thanks you for taking on the job of coach or manager this season. We appreciate all you are doing to support our young players and keep our club and community safe.

COVID safety basics for GBCC members

- Stay home if you have any cold-like or flu-like symptoms or have been in contact with a diagnosed case of COVID-19 in the last 14 days.
- Get in, train or play, get out.
- Keep your distance from others – 1.5 metres.
- Wash or sanitise your hands regularly.
- Download and activate the [COVIDSAFE app](#), as recommended by Cricket Australia.

Training checklist: coaches and managers

- Set up corflute with laminated COVID displays.
- Plan for the safe entrance and exit of players (and parents) at your training venue.
- Complete attendance register – mark off player names and add any parents who are staying.
- Designate a team kit area. Make sure kits are 1.5 m apart.
- Set up a sanitising station – for example, a table with hand sanitiser, wipes and a garbage bag for disposal of used tissues and wipes.
- Maintain and monitor physical distancing of 1.5 m between players, team officials and parents at all times – no high fives, handshakes, hugs, rumbles and so on.
- Observe net limits – **no more than five people per net** at any time (any combination of bowlers, batters and coaches).
- Ensure that players do not shine the ball with saliva or sweat at any time during training.
- Stay distant from other teams training at the same time and ground – no intermingling of teams.
- Sanitise balls and other equipment after training.

What to bring to training

- GBCC corflute with laminated displays (x4)
- Attendance register (Club will supply)
- Table for setting up a sanitising station
- Hand sanitiser – two packs, one for sanitising station and one for toilets
- Disinfectant wipes
- Garbage bag for disposal of used tissues, wipes etc

Match checklist: coaches and managers

Your team has a COVID marshal. This person is responsible for monitoring and maintaining COVID safety at matches, so you can focus on running the game.

Umpire checklist

- Umpires should conduct the coin toss with their own coins. The umpire tosses and the home captain calls.
- Maintain and monitor physical distancing of 1.5 m between players (except for WKs keeping up to the stumps or slips fielders).
- Do not hold hats, sunglasses and other personal items for players.
- Consult the PJCA Playing Conditions for information about match conduct.
