

# GBCC COVID safety 2020-21: Senior captains and umpires checklist

GBCC thanks you for taking on the job of Captain this season. We appreciate all you are doing to support our players and to keep our club and community safe.

## COVID safety basics for GBCC members

- Stay home if you have any cold-like or flu-like symptoms or have been in contact with a diagnosed case of COVID-19 in the last 14 days.
- Get in, train or play, get out.
- Keep your distance from others – 1.5 metres.
- Wash or sanitise your hands regularly.
- Download and activate the [COVIDSAFE app](#), as recommended by Cricket Australia.

## Training checklist: Seniors training – Captains/COVID marshal

- Set up corflute with laminated COVID displays.
- Plan for the safe entrance and exit of players (and parents) at the training venue.
- Ensure that those present register using the QR code or the sign-in link on the GBCC website.
- Designate a kit area. Make sure kits are 1.5 m apart.
- Set up a sanitising station – for example, a table with hand sanitiser, wipes and a garbage bag for disposal of used tissues and wipes.
- Maintain and monitor physical distancing of 1.5 m between attendees at all times – no high fives, handshakes, hugs and so on.
- Observe net limits – **no more than five people per net** at any time (any combination of bowlers, batters and coaches).
- Ensure that players do not shine the ball with saliva or sweat at any time during training.
- Sanitise balls and other equipment after training.

## What to bring to training

- GBCC corflute with laminated displays
- Attendance register (Club will supply)
- Table for setting up a sanitising station
- Hand sanitiser
- Disinfectant wipes
- Garbage bag for disposal of used tissues, wipes etc

## Match checklist: Seniors captains

Your team either has a COVID marshal or you are assuming this role. This person is responsible for monitoring and maintaining COVID safety at matches. If you are filling both roles please read the COVID Marshal checklist.

## Umpire checklist

- Umpires should conduct the coin toss with their own coins and the home captain calls.
- Maintain and monitor physical distancing of 1.5 m between players (except for WKs keeping up to the stumps or slips fielders).
- Do not hold hats, sunglasses and other personal items for players.
- Consult the NDCA playing conditions for information about match conduct.
